

🏴‍☠️...Ahoy me mateys...🏴‍☠️

It's on again - the ANNUAL HASH RELAY and the POSH will be there! The theme for 2010 is Pirates / Buccaneers at the Bay.

There will be the usual hash runs, relay, and beach events.

A golf day will be organised for early arrivals on Friday 12th,

Our team will need to arrange a short skit on the Saturday night, which must have a pirate theme to it.

Kitty Litter has agreed to co-ordinate the troupe this year and calls on you to Register (see website below). NOTE that a few more (non-Harriette) partners are attending this event each year.

You can pay later but let KL know your interest now so he can begin to co-ordinate events and assist with accommodation.
